

144,000: 67 – Link with 12,000 Elect in Australia

To heal ourselves and others, the powers of regeneration and elimination must work together as one. Regeneration/reproductive system functions on the positive, active, masculine polarity, whereas elimination/urinary system and colon expresses on the negative, passive, feminine polarity. Some metaphysical students mistakenly believe that we are to concentrate only on affirmations (+) and not on denials (-). They constantly promote, push forward, create, and provide rosy scenarios without giving sufficient time for rest, release, denial of lesser thoughts and feelings, dealing with negativity, and cleaning up after their creative surges. As a result, they typically overextend themselves, burn out, create a false illusion of everything being positive no matter how awful it is, and may end up with a severe illness that results from their refusal to deal with their dark side or from suppressing negative feelings over a long period of time. As Charles Fillmore wrote, we are to affirm and to deny, each at the appropriate time.

12,000 Elect in Australia: In the world, the power of elimination-denial can be thought of as being located in Australia in the Eastern Hemisphere. This country/continent is located in the southernmost or lowest part of the East (other than Antarctica), just as the eliminative organs are at the bottom or base of the body. Of its 22 million citizens, only 12,000 must be so transmuted with the violet flame that they imbue others with the power of elimination. These 12,000 are of every religion, ethnic group, race, age, profession and belief. As in the rest of the world, however, a majority of these elect are of the youth, say about 25 years old or younger. This new wave of highly evolved souls will spearhead the efforts needed to cleanse the planet and birth the I Am Nation.

On September 16, 1998, when Nada-Yolanda of Mark-Age visited Perth, Australia, **Lords Michael and Maitreya channeled:** “The whole continent of Australia is under the protection of Michael. It shall be the place of refuge, least affected by the natural catastrophes which are destined to begin in the Eastern Hemisphere, between the present through the year 2250 A.D. The purpose for your journey on the Eastern Hemisphere Mission is to anchor in the

light for those elemental and devic forces responsible for changing the present conditions of this area. Weather shall change significantly, in order that there be enough water to support all the life forms necessary for many millions of survivors, from islands which shall fall into the sea, and of the vast coasts of China and Russia, which are bound to suffer from floods.”

Visualization: Hover in your light body above Australia, where you link with Michael and Maitreya. With them, lower a huge amethyst crystal over this continent whose violet light uplifts the 12,000 elect. Link also with the devic and elemental forces. See sufficient rain pouring forth. So be it.
