

InVest: 8 – InVest in the Middle Way

Be still and know the strength of the Middle Way of peace, love, cooperation and coordination.

Knowledge is strength and strength is our tree of knowledge.

Our spine is the Middle Way in the middle or core or center of us.

Stay on the straight and narrow pathway of the spine.

Veer not to the far left or far right, or all the way to the head or the tail side of the coin.

Be in the Divine Middle, which is the root of the two sides, and includes both of them.

Heal any disharmony or discord by being in the melodic middle of the Middle Way.

Strength and stability come from knowledge of the Middle Way.

Be a stalwart of strength, a tower of power, a pillar of peace.

Do the will of God and be love in action.

Visualization: Picture before you Senate Minority Leader Mitch McConnell, Senate Majority Leader Harry Reid, President Barack Obama, Speaker of the House Nancy Pelosi, and House Minority Leader John Boehner. Surround each one in light that merges into one light of peace, love, cooperation and coordination. The five leaders are one in the One.

Focus separately on each one. See within each leader a spine of strength and stability that is steadfastly devoted to four cosmic steps: peace, love, cooperation and coordination. Each of the five knows deep in his or her soul the truth of the Middle Way. Now is the time for all of them to rise into a whole new octave of applying and practicing these principles to lead America and the world into a Golden Age.

Link with Lord Michael, Archangel of the First Ray of Will and Power, and with Sananda-Jesus. With them, call on the five leaders to do the will of God. Not their individual, mortal, political will, but Thy will be done. That will is to follow the Middle Way, each in his or her own unique way.

The time is short. There is no time to waste. Be the light. Do the will of God. Let there be peace, love, cooperation and coordination. So be it.
